JULIO 1933 (31 días)

1 Sábado

182-183

Palace Hotel Resan

On way to C. Winter with B, Miss Spachman  
John & Mary. Leave records 3 bag, on a/c  
afternoon until our return. Got tickets  
return to Palmas \$6.37. After dinner to  
Cinema

2 Domingo

183-182

on board "Ciudad Corrientes"  
Left Resan 9 Am. State rooms 36-  
38. quite good cabins. John in top  
berth. Got to Parana about 7 Pm  
Fine cool day, no wind. Only  
one I know on board is Arce  
Catching a cold.

JULIO 1933 (31 días)

3 Lunes

184-181

On board Ciudad de Caracas.  
Friday. Passed in morning by  
Esquina & in evening Bella  
Vista. Huge mangrove of locusts  
in island in front of Guaya.  
Arco says Sounded camp of  
40000 feet was sold to Hughes  
Mrs Hardy & Bruce's J. Leticia  
Grand piano player on board.

4 Martes

185-180

Campo Winti. warmer & nice  
calm. Arrived in Caracas about  
5 am & left 8 am. Went to market  
and Parque. Arrived at Palmas  
11.15 had lunch of beer & etc. Breakfast  
on board for Caracas. Auto via met us  
at Puerto & Hardy's auto via to take our  
luggage. Hamilton Palom met us at Kil  
90, 3 hours from factory. Had posts here  
& camp tents burnt. Cochran & Bell  
is here. — 2 am. ladies on board  
steamer.

JULIO 1933 (31 días)

5 Miércoles

186-179

Warm N. wind 28°. In morning went in  
Ford to Jaques in Puerto Plante with Liza  
who made it. In afternoon cattle of Fort  
Palmas were brought up. Had a look at  
them on horse back, quite good condi-  
tion & lot of small calves which they  
are going to Sinaloa.

6 Jueves

187-178

Strong N. wind 28 1/2°. Began doing  
up boats in morning. After tea with  
UB, Miss Spackman & Mary to Oro at  
Paso gathering cactus etc in monte  
there. John helping Hamilton with  
cattle brought up yesterday. Cochran  
also. looks stormy.

Camp Winters

JULIO 1933 (31 días)

7 Viernes

188-177

Wind changed to south strong & was a cold over cast day. Went in car to radio Encomienda, at wind mill, revised the millos. Guess will be about 600 to sell next year. Doing up May accounts. They are feeding about a dozen riding horses on maize.

8 Sábado

189-176

Cold day mostly over cast 5 to 10°. In morning in car to Zapallar with Hamilton Miss Spackman & Mary. Bot some things at Area & Santos & Las Palmas store. Also to post office & Ford agency (Hardy & Torner). Say cotton is worth 180. per ton in Las Palmas Zapallar & 230 in Resistencia. Roads drying up. Too cold to work cattle.

JULIO 1933 (31 días) Camp Winters

9 Domingo

190-175

Cold day

Fiesta Cívica

3° SE clear. After tea in car with Hamilton & B. Spackman Mary & John to regional meet of house.

Browning came in afternoon until 6 P.M. Bot mail for here & telg from 3 Lagunas.

10 Lunes

191-174

Colest front of season 0° mostly over cast & E wind. In afternoon all hands with car to wind mill of Oro & then to the Monte south on Oro looking for cactus etc. Paton brought a tatu, quite fat which will be eaten tomorrow. Mr Hardy sent a piece of fish.

CWinter JULIO 1933 (31 días)

11 Martes

192-173

Caldish day clear SW 9° +  
Firing up accounts most of  
day. Spackman Mary & John  
on horse back in morning  
with Cochran (Donoed)

12 Miércoles

193-172

Cold day in wind S.W. 3° +  
In morning in car to Sombrinté, Hamilton  
Miss Spackman Mary & John. In monte S  
of camp saw 7 or 8 monkeys, & a huge  
Quibachto tree, 8 meters to nearest  
fork & at 1/2 mt from ground measured  
3 1/2 m circumference 10400 K + 2 cu  
mt. the 2 branches (1300 K to cu m)  
Get back by lunch. Lovely monte  
very high trees. Looked like a  
Steamer going up river.

JULIO 1933 (31 días) CWick

13 Jueves

194-171

Cold day E 3° + frost. Firing up  
books in morning. Hamilton Spackman  
Mary & John horse back in morning  
to river Bermyo camp.  
Hamilton says the baño at Sombrinté  
uses 2 litres per animal average  
big & small. Cost 4 1/2 cts per litre  
Baño Llanos 3 1/2 litres fluid to 1000  
l water. Here at CWinter uses about  
1/6 more.

14 Viernes

195-170

Not so cold & wind 1° +  
Had the bulls curing some with scab  
with oil. Also had the plantie up at  
same time, about 170 cows & heifers. Most  
not so bad. It's a pity can't get mucho Dur-  
ham bulls for them. Balanced my accounts  
with the Estancia books. After tea went to  
Puerto with OB, Mary & Miss Spackman.  
Saw steamer going down. Hamilton to Kil 90  
with John ~~Spackman~~ & Cochran to get Gompelacide.

C. W. White  
JULIO 1933 (31 días)

15 Sábado

196-169

Wind S W again frost 4° +  
Mary John Miss Spackman Cochran  
to Oro when the two latter had a  
spill in the lake there. Finished  
balance of financial year  
OB with Hamilton Spackman Mary  
to north gathering cactus etc in  
Isleta en way to port.

16 Domingo

197-168

S.W. wind 2° + frost credit day.  
+ guess will get colder. Bad reports  
from down south re cold, according  
to papers which Browning bro't today.  
In morning we all went to picnic  
to Monte S end of Sombreros when we  
had gone on 12<sup>th</sup>. Hamilton Cochran OB  
Mary John Miss Spackman myself.  
Saw no monkeys, but saw another big  
quebracho of 3.50 m. Circumferencia. Came  
back in time for lunch

C. W. White  
JULIO 1933 (31 días)

17 Lunes

198-167

Coldish day, frost 3° S W. They were de-  
graining maize yellow (Canario) 27 bags  
69 K average weight. all morning 5 men.  
Went to west side of camp with Mary on  
horse back to fence S of Ruffo's gate to Laguna  
where Miss Spackman had a spill in lake  
some days ago. Heard monkeys howl-  
ing.

18 Martes

199-166

Fine day. 7° + went to N + then to south  
Had a long ride to Alderetes tapera  
& back by wind mill of envenada pet.  
with Hamilton & old Guererero. That  
patrero seems to get more cockspat in  
it. Nothos looking well. Mr Santos  
called in afternoon wanting to sell a  
camp in Formosa, opposite Urbaris  
OB Mary with Hamilton to hear monkeys  
howl where we went yesterday. Not heard.  
Desquaring more maize of Murray.  
Boats are finished

CW Winter JULIO 1933 (31 días)

19 Miércoles

200-165

Winda to N slight, warmer fog & frost 4°+

Hamilton with Camion 1<sup>st</sup> load of maize to kil 90 sold to don Palmas as kil 90 at 5: Palmas picking boys. In afternoon we went all to hear monkeys howl (no) beyond Raigondé.

20 Jueves

201-164

Warmer day 5°+ slight frost. Went in Motor car all day, Hamilton, old John May, Miss Spackman to visit Mr H. Hardy at du Resche. Lunch & then to Presidencia Rese 3 leagues met his son, son in law, & a Mr Reeves ex-accountant N.E.R. although made 101 K. Seems was a row at Puerto Zapallar between Indians & store-keeper.

JULIO 1933 (31 días) CW Winter

21 Viernes

202-163

Fine balmy day NE + S

In morning walked to curral. After tea with OB & Paton to the latter's house in auto. Hamilton hauled 5 loads of fire wood from Raigondé. He & Miss Spackman & kids to the Oro west.

22 Sábado

203-162

Fine day S wind slight 11°+ bit cloudy. In morning went to well in piquete plantel where they were fixing up. Saving fire wood. Hamilton & kids on horse back in Pat Palmas. They say whistle of steamer was heard about 2:30 PM.

Wiputi JULIO 1933 (31 días)

23 Domingo

204-161

Fine day. Rainy

Hamilton kids & Cochrane went towards Oro, Killa & Tucum & heard monkeys. Great joy for the kids. Took OB in car to Estancia Berniyo but Brownrigg was not at home. He came for tea.

Steamer was heard coming up about 7<sup>15</sup> am.

24 Lunes

Capt Solis

205-160

On board MOP 114 Puerto Zapallar.

Had notice steamer was expected as she had left 1 PM Roca. Left Estancia 4<sup>30</sup> in car & canyon. Steamer stops the night here. Nice clean. Tipka cook & Pablo \$10 each at Estancia

Had drinks on board with Hamilton Patin & Cochran. Hamilton made 2 trips today to find out about steamer. Promised to send Centrifugal pump and sheep skins to Patin in exchange for a cervo skin.

JULIO 1933 (31 días)

25 Martes

206-159

On board MOP 114 about 8<sup>5</sup> hrs on Berniyo river. Left Puerto Zapallar passed Wribus camp about 11 am. River being low go slower. Arcos got on board in afternoon. Kids saw a lot of yacare, about a 100 before lunch @ 10 cts each which OB offered, but many more in afternoon. Warm day. Very hot for insects.

26 Miércoles

207-158

Hable Stein Lorenzetti.

Fine day. Left again 6 am & arrived at mouth of river about 10<sup>30</sup> & to Puerto Berniyo about 11<sup>15</sup>. Saw lots of enormous yacare in Berniyo river. Changed to bigger steamer MOP 119. Stopped about an hour at Las Palmas unloading cotton from a scow alongside. Saw Arcos at Puerto Berniyo. Capt Severin Veron. Arrived here about 7 PM.

JULIO 1933 (31 días)

27 Jueves

208-157

Hotel B. Vires Corrientes. Warm day. Enormous mouga of locusts from 3 P.M. on. In morning went to barber, post & bought a Palo Santo box & heard which after-wards gave to Eileen B. Then to a bird shop & got a big parrot 15.- & then a bird cage for 3.- for him. After tea went to drive to Hippodrome etc. Cinema at night.

28 Viernes

209-156

on board Ciudad de Asunción. Corrientes. Went on board & we found steamer would not leave until midnight as the steamer from Posadas would not make connection as another steamer was stuck in river. Did some shopping in morning with Mrs Spackman, & in afternoon walked to get exercise. Very few passengers

JULIO 1933 (31 días)

29 Sábado

210-155

on board Ciudad de Corrientes. Temporal blowing all day & cold. Steamer from Posadas arrived 2.30 am & left when her passengers were transferred. Katherine Campbell & 3 other girls were on board amongst them. American book agent on board & ordered a Volume Library from him to be delivered to us in 60 days (M. Bueye) for 13.50 gold. had paid him 7.50 m. Passed Juya 3 P.M. about.

30 Domingo

211-154

Las 3 Lagunas. Passed Paraná in morning about 8 am & arrived Rosario 2.30 just in time to catch 3 P.M. for C de Gony where Martin met us, & also Carnion & reached here 6 P.M. Very dry & has not had a drop of rain last 2 months at least & hard frosts to -8°. No trouble at custom house but had to open every thing. Fine day, here -4°

JULIO 1933 (31 días)

31 Lunes

212-153

Las 3 Lagunas

Wind NW slight - 4°

Things look very bleak here  
palms especially touched by  
frost. some locusts about.

Writing letters & doing up Bank  
accounts of June & July.

Bowls in afternoon after tea as  
Lykes came in morning, and  
after tea Wallace's family & the 2  
Miss King girls.

Some locusts about.

AGOSTO 1933 (31 días)

1 Martes

213-152

- 2° with wind clear

Doing up accounts most of  
day. - Lykes still here.

Insects, bridge.

Some of La California people  
were here to gather violets  
for Cefredito's grave

2 Miércoles

214-151

N & NW wind 0° warmer  
day.

Dr Lanza Caselli of Belville came  
in morning & stopped for lunch to see  
if I was conform to liquidate or postpone  
Cefredito's debt. I said I considered it  
cancelled. Johnnie & Nancy also came &  
had lunch. Locusts come again in  
afternoon. OB & John went to La California  
after tea.

AGOSTO 1933 (31 días)

Warmer day <sup>3</sup> Jueves 215-150  
I + NW + N  
wind. Getting very dry.  
Had recuents today all on 3  
Lagunas. Cattle not so bad and  
Yaguaiya looking quite well.  
The two Miss King girls and Malcolm  
from La California helped.  
OB & John to Rosario in afternoon. John  
going to school (Oates College)

Warmer day <sup>4</sup> Viernes 216-14  
N NW + N wind warm.  
Lots of locusts in No 27-28 + around  
the monti. Finished counting cattle  
at Las Tijeras. La California kids helped  
2 Miss <sup>King</sup> ~~King~~, Corina, Malcolm &  
Moria helped, also Miss Spackman &  
Mary. OB came back from Rosario  
via C de Gomez by tea time.  
Cattle not so bad credit in  
spite of seca

AGOSTO 1933 (31 días)

Warm day <sup>5</sup> Sábado 217-148  
N. 8° Barne 75°  
Flying to Rosario Recoral show  
with the Jorda Bros.  
Sykes here for week end. In after-  
noon tennis, Raymond Mr & Mrs Touph-  
erty, Miss Touyles. Fishing party  
from La California with Miss Spack-  
man & Mary. Locusts invasion  
erupts. - In morning to Provincial  
Bank & pd Cendrubuen Triesta  
of 19318 3 Laj.

Warm day <sup>6</sup> Domingo 218-147  
N + NW <sup>31°</sup> <sup>12 min</sup> dry  
All hands to La California  
for locust pseudo, tennis bowls.  
I saw 3 times bowls today.  
Saw some polo amongst the  
girls & kids Willie & Raymond.

231-134

Grand Hotel Paris.  
John came in from Huntington  
to see to show with us to  
inauguration. Very full.  
In morning did some shopping.  
Had dinner with the Barry's.  
Called on at Dr Jt alabans  
with OB.

20 Domingo

232-133

Fine day. Overcast in afternoon.  
Evening colder evidently wind  
changed. In morning had a  
drive with OB along costanera.  
In afternoon to Rural Show saw  
some jumping. Before dinner to  
cinema Paragon Guemes. ~~bad~~ bad.  
Cinema at night with OB.

AGOSTO 1933 (31 días)

Gran Hotel Bte.

21 Lunes

233-132

Turned much colder with S to  
wind, but no rain nor sun.  
In morning did some shopping  
Tiharee, Smart etc. In afternoon to  
show to see Champion bull of Baurin  
sold for 15000. but bid 14000 10000  
8000. Poor. Afterwards went to  
Ditlewson & bought a small turbine  
pump for CW Inter 100. & they prom-  
ised to get rubber pipe etc.

23 Martes Miércoles

234-131

Overcast day but no cold  
& was damp in afternoon. In  
morning shopped. For lunch we  
had Kathleen Lockwood & Maria  
Cerraga. In afternoon to cattle  
show to watch the sales which  
were not too bad.  
Bought a case of whisky in hotel  
here. supposed to be special.  
Bought tickets with the Perraults.  
made 95<sup>ct</sup> at 5<sup>ct</sup> pr 100

AGOSTO 1933 (31 días)

23 Miércoles Tuesday 235-130

Warm day.

Went to show in afternoon, tried to buy the reserve Criolla Stallion but was asked 400. Offered 300. Sale of bells poor.

Went to Tillerson's paid for Centrifuge pump for Cedritos.

156.40. Also went to Bank.

To Cinema Broadway in evening before dinner

Los 3 Loguinos. 24 Jueves 236-129

Cleared up again, S + SE mist. Barn 748. Left BA by 8 am train (de Flaca) & arrived 3 Log by tea time. Looks very dry.

AGOSTO 1933 (31 días)

25 Viernes 237-128

Fine day N wind, warm.

Barn low

Doing up balances of 30/6 & letters.

Walked with OB through monte

Wind to SE strong & dusty. 26 Sábado 238-127

Barn still low.

Willie & Gifford called before lunch. Sykes also in morning for week-end.
