IT MAKES WRITING EASY.

Throw pens and pencils to the dogs—they are dull tools these days. As well reap with a sickle—ride in post-chaises—burn tallow dips!

THE BAR-LOCK TYPEWRITER

ranks with telegraphs, telephones, and electric lights, with those who keep pace with the world. The perfection of modern invention, and the STANDARD MODERN Writing Machine.

READ! { The Bar-Lock Typewriter began its career only three or four years ago, in the face of apparently deep-rooted preferences and formidable competition. On superior merit alone it has overtaken and passed all competitors—and to-day stands at the head of the list in all respects. Such a record is only true of remarkably meritorious articles.

A GOOD POLICY.

The Company have recently paid Policy No. 245, for \$5,000 (£1,028). The Total Premiums paid by the Insured amounted to £2950. The Claim as paid by the Company amounted to \$13,917 (£2,862 12s. 2d.) It will be seen that, in addition to paying the full amount insured, the Company returned the whole of the Premiums (thereby giving insurance free of cost for nearly 50 years), with the addition of £858.

MUTUAL LIFE CONSOLS.

THE New Six per cent. Consol Policy has been specially devised to meet the requirements of people of means, to whom a Good Investment may be of more moment than Insurance Protection. The Consol Policy meets both requirements, and combines more additional advantages, with fewer restrictions, than any Investment Insurance Contract hitherto placed before the Public. It guarantees Immediate Insurance (increasing annually), Endowment, and Permanent Income.

THE MUTUAL OF NEW YORK is a Purely Mutual Company. There are no Shareholders to absorb any of its profits, while the accumulated Funds and Surplus all belong to the Insured. At the same time, there is no liability to the Policy-holder whatever, beyond the payment of Premium named in his Policy.
