July 6<sup>th</sup>.

my dear Mattie

Thanks for your letter June 11<sup>th</sup>.

I wrote to Clarita & Rena this month

so you know I am still alive &

trying to keep my head above water

what a life it is always trying

to cut down; as a family we find

it very hard. Corina said she was

tired in seeing me in my shabby winter

coat & insisted bringing me out one. I told

her not to by saying it would fit as

the sewing girls don't seem to know how

to fit one I am enclosing a letter from Corina

incase you haven't had one. Thank goodness

she will be back about the 14<sup>th</sup>. I was very

glad to see Jay & May also John which

I hadn't seen for a very long time a very

good looking chap very like Elio do you

remember how we sat on a fence waiting

for him to come in from camp. Of course

you were always first! A Chestine Keeler.

Why didn't we meet Profumo's in our days?

malcolm & gerty came in to get the boys

I went to Audrey's for dinner to meet them

George has come out from the States for

his holidays. it must be very upset at

~~Basilio~~ diemng I wonder what she will do it is sad.  
just as they had built the lovely home.  
I had a letter from Clarita & she said she has  
taken a house near Marion's. I must say  
I would rather have something nearer the  
cumber. That old car won't last much longer  
I hope she got good prices for her things  
I am still trying to sell crystal. ordinary  
glass is very expensive & I am not asking very  
much. I must close as it is lunch time  
always ready for it as I go with out dinner  
& most times with out tea  
Give all my love (do you trust Pedicurets?)

Have you seen Nora & Buzzy?

Much love Mattie
