22 Wednesday (112-253)

۴۴۴۴۴۴۴۴

W. W. ~~W. W.~~ Vass.

APRIL, 1903.—17th Week.

23 Thursday (113-252) S. George's Day.

Yesterday & today were fine days W wind slight. today quite warm. I went yesterday to Calchaqui & came back again today. Saw about bolitas de marca of Baldomero & Felix. Elias yesterday was up at puesto Palmar & counted my tamberage. 3 cows & 1 calf last years are missing.

Today Camero from there sent word that indians cut fence up there & stole 3 of his horses which were loose. Elias was down at Paso Calchaqui and packed about 80 of my cattle from his & put them into corral here tonight. — Butchered a *rengo novillo*. —

24 Friday (114-251)

Warm day North wind. —

Chasqui from Hartnicks came last night to say they are going to begin their marcacion today. So Elias & Mensuales madrugared & went over & helped mark Hilarios with rodeo 440 cabres. A. was over also. —

Machungo, Araujo, Gabino, & Minio pem, went over to rodeo general at Union potrero. —

Caferata still arranging alfa land (south). —

25 Saturday (115-250) S. Mark, Evan.

Cloudy day with a local shower in morning of 4 mm. South wind slight. I went over to Union rodeo Cia. Terras. Packed 3 out. — Gente go on as far as Molles. Elias & gente came back afternoon from yerra Hartnicks' marked 640 at Hilarios south rodeo. —

Cart men came back from hauling wood to paso Salado. 6 days work (very little.) Had word that 4 suspicious individuals were seen in estero on other side Salado. — Salado rising (covers horse back) but water salty & bad.

APRIL, 1903.—18th Week.

26 Sunday (116-249) 2nd after Easter.

Temporalish day, wet & drizzly strong wind & cold 4 m.m.
Caprata went to Calchaqui in horse cart in afternoon.
Also sent chasqui (boy) to Calchaqui with mail.

27 Monday (117-248)

Temporal blowing all last & day. rained $18\frac{1}{2}$ mm
last night & today a slight drizzle.

Butchered a vaquilla

J. Sanchez here in afternoon: reports a big crecient,
coming down from north by Chilcas & Golondrina.—

Maehungo came from reculuta having parted 4
of our animals from Unim³, Lucero San Andres³ &
11 agenos.

28 Tuesday (118-247)

Another day of temporal 16 m.m. & no sign of abating.
Took ageno animals 7 outside of fence & rest put into
Palmar. & 3 into potrero 2 E 1 S.

Elias went up to Don Alberto to see whether it is
true about crecient Calchaqui. Say there is a very
small crecient coming down but already falling.
So did not open tajamar Calchaqui. Don Alberto prom-
ised to send word if any danger.— Indians that
stole at puesto Palmar evidently cut Hartneck's fence
on north side and went out again. They say they stole
a lot towards Navairo's obraje.—

29 Wednesday (119-246)

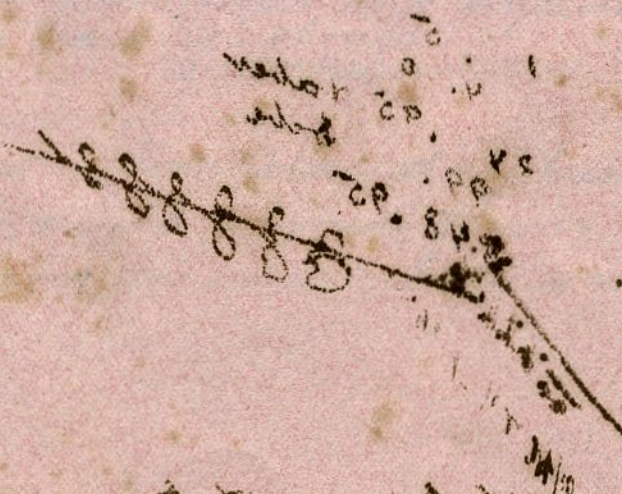

Another beastly temporal day but no rain only
mist. Last night rained 3 m.m. Wind S.W.—
Nothing going on except hide work.—

27th March 1900
