For New York, via Queenstown.

# Information for Passengers.

Breakfast, from 8-30 to 10. Luncheon at 1 p.m.; Dinner at 7 o'clock. Supper, if required, must be ordered before 10 o'clock. The Bar will be closed at 11-30 p.m.

Seats at Table.—Application may be made at any of the Chief Offices in advance, or to the Second Steward on board the steamer on day of sailing.

Divine Service on Sunday at 10-30 a.m.

Baggage.—All enquiries regarding Baggage should be addressed to the Baggage Master.

Steamer Chairs may be hired from the Deck Steward at a cost of 4s. for the voyage.

Valuables.—The Company is not responsible for theft if valuables or money are kept in the Staterooms. The same should be placed in charge of the Purser for deposit in his safe, and a receipt will be given on the Company's form. As no charge is made for carriage the Company can not accept any responsibility for loss or damage, however arising, but passengers can protect themselves by insurance.

Passengers should obtain a receipt on the Company's form for any additional Passage Money or Freight paid on board.

Exchange of Money.—The Purser is authorised to exchange money at the following rates. He will give American money for English at \$4.80 to the pound sterling and English money for U.S. Currency at £1 sterling for \$4.95.

The Surgeon is authorised to make customary charges, subject to the approval of the Commander, for treating any passengers at their request for any illness not originating on board the ship. In the case of sickness contracted on board no charge will be made and medicine will be provided free.

Dogs.—Passengers are notified that dogs cannot be landed in Great Britain unless a license has previously been procured from the Board of Agriculture, London. Forms of license must be obtained by direct application to the Department before the dog is taken on board.

Automobiles.—The Purser can give full information to passengers who wish to hire Automobiles for Touring purposes, and on receipt of instructions will send Marconigram to Head Office ordering same.

Arrivals at New York.—Passengers are landed at the Company's Piers, 54 to 56, North River, Foot of West 14th Street, where railway tickets can be purchased and baggage checked to any part of the United States and Canada. After landing, passengers should enquire at the desk on the wharf for letters and telegrams.

When any of the Company's steamers arrive at the Pier after 8 p.m., passengers have the option of remaining on board over night and landing after Breakfast the following morning.

Public Telephones.—Telephone service with booths and operator in attendance will be found near the Customs Lines on the New York wharf.

Taxicabs and Carriages.—These can be hired at the New York Piers. Passengers by communicating their wishes regarding conveyances to the Purser can have them reserved in advance. The Purser will forward such requests by Marconi Wireless Telegraph Company to the New York Office without charge.

FISHGUARD.—Attention is specially drawn to the facilities provided by the Cunard Line for their American patrons in reaching London and the Continent by travelling via Fishguard, which is recognised as the most expeditious route. (See Special Notice, "Express Route," &c.)

Arrivals at Liverpool.—Time of Landing Passengers.—When any of the Company's steamers arrive alongside the Liverpool Landing Stage after 8 p.m. it is optional for the passengers to go on shore that night. In the event, however, of their remaining on board, they will be landed after breakfast the following morning, either at the stage or in dock as circumstances may make desirable.

When the vessel reaches the river but does not come alongside the Stage, to prevent inconvenience and to meet emergencies, any passengers desirous of disembarking will, on arrival of the steamer, be landed, with hand baggage only, by tender, provided that the Purser is advised before leaving Fishguard of the passenger's wish to do so. Notice will be placed in the Companionway on arrival at Fishguard advising passengers of anticipated arrival at Liverpool, and arrangements for landing.

LIVERPOOL.—Special trains are run between Euston Station, London, and Riverside Station, in connection with the departure of the steamers. Specials will also be run from Riverside to Euston in connection with the arrival of steamers, when required.

# EXPRESS ROUTE NEW YORK

TO

# LONDON and the CONTINENT

VIA

# FISHGUARD.

THE attention of passengers is specially drawn to the facilities provided by the Cunard Line for their American patrons in reaching London and the Continent by travelling via Fishguard on the South Wales Coast, which is now recognised as the most expeditious route.

The "Lusitania" and "Mauretania" will leave the New York Pier at 9 a.m. and proceed direct to Fishguard, without calling at Queenstown. All other New York Steamers will call at both Queenstown and Fishguard.

The Great Western Railway provide special trains from Fishguard for London (Paddington), the railway journey occupying about 43 hours.

FISHGUARD is the nearest British port to New York, and this route is therefore the most direct to London.
